MEMORANDUM FOR: Project Director

25X1

REFERENCE : [redacted] dated 6 July 1956

1. A letter has been prepared and forwarded to Eastman Kodak by the Project Contracting Office which incorporates Operations' comments concerning Kodak's handling of processing functions referred to in your memorandum.

2. We presently have assigned a full-time Photographic Interpreter to Eastman Kodak and feel that he should be capable of resolving some of our earlier problem areas. In addition, in an attempt to correct deficiencies noted on some of the first operational photography received from the processing plant, this office will continue emphasis on improvement of handling functions at Eastman Kodak.
